Celebrating around the world

At Carnarvon Events Centre, we can help you celebrate any occasion, from a small family gathering, to a large event and incorporate your culture and traditions.

Celebrating an occasion can sometimes be difficult, when trying to find a modern venue with an innovative menu and also embrace your family's cultural needs.

At Carnarvon Events Centre we can help to celebrate both.

Our Head Chef can work with you to design a menu to suit both. Our Classic and Deluxe Buffet menus showcase the freshest produce. Our diversity is evident in every plate presented.

The function spaces are a stunning canvas, with views of the course which you can add your own traditional and cultural decoration to make any event feel like a touch from home.

Entertainers are welcome from Lebanese drummers, traditional islander dancers, Croatian bands & DJ's

Holy Communion & Confirmation Bookings

As the local Churches start to organise their annual Holy Communions and Confirmations, be sure to book your event as soon as you have the date to avoid disappointment.

R U OK? DAY™

A conversation could change a life.

R U OK?Day 2025 is Thursday 11 September.

But **EVERY** day is the day to start a meaningful conversation with those we care about and ask, 'are you OK?.'

We're encouraging everyone to reach out whenever they spot the signs a friend, family member or colleague is struggling with life.

By taking the time for an R U OK? conversation and genuinely listening with an open mind, we can all help the people in our world feel supported and connected, long before they're in crisis.

Because a conversation could change a life

PAR 5

The slight dogleg right fairway is generous in width and the distance from tee to green is far from daunting. The ideal line from the tee is to drive into the right half of the fairway, doing your best to avoid the three sand traps flanking the landing zone.
