Spread some joy this Christmas

and donate an 'It's in the Bag' between 15 - 29 November

Fill a handbag with essential items to give a little bit of love to someone in need this Christmas.

#### How it works

It's in the Bag is one of Australia's most loved Christmas appeals, where we encourage everyday Australians to put together bags filled with essential items, and maybe some everyday luxuries, to donate to someone in need for Christmas. Carnarvon will have a collection area within the foyer, where we encourage all Members & community to get involved. Management will then donate all bags to the main collection zone at Bunnings where they are then distributed to over 3,000 charities nationwide.

You can pack an adult, teen or mum and bub bag to help someone in need this Christmas.

#### Stuck for ideas on what you can put in your bag?

Shampoo, Conditioner, Toothbrush, Toothpaste, Feminine Products, Deodorant (roll-on only), Soap/Body Wash,

Newborn Nappies, Baby Wipes, Dummy, Nappy Rash Cream & Metarnity Products

Maternity Products.

## MEET SABIN KANDEL

#### 1. WE LOVE HAVING YOU ON OUR TEAM, HOW LONG HAVE YOU WORKED AT CARNARYON?

I've been around since 2022.

I imagine some of the best moments for me at Carnarvon are when the team works together seamlessly during a busy rush or when our local members & guests leave with a smile, having had a great experience.

#### 3. DO YOU HAVE A FAVOURITE TV SERIES?

Yes, my favourite TV series are: Money Heist, Game of Thrones and Prison Break. Out of these 3, Prison Break comes number 1 to me because of its intense suspense, intricate escape plans, clever plot twists and a constant race against time. It also highlights themes of brotherhood, loyalty and the pursuit against seemingly unbeatable odds.

#### 4. TELL US ABOUT YOUR HOBBIES

My hobbies is to travel for the thrill of exploring new places and experiencing different cultures. Driving at my own pace listening to music would be perfect for relaxing and connecting with different emotions.

#### 5. IF YOU COULD TRAVEL ANYWHERE IN THE WORLD, WHERE WOULD YOU GO?

If I could travel anywhere, I'd choose Switzerland. Its breathtaking landscapes, from the snow-capped Alps to the serene lakes would make for a dream destination. Switzerland's picturesque towns, like Zermatt and Lucerne offer a perfect mix of nature and charming architecture.

#### 6. WHAT MADE YOU CHOOSE TO BECOME A CHEF?

For me it is the passion for food, the creativity involved in crafting dishes and the satisfaction of seeing people enjoy something I make. Being a chef allows me to be constantly learning & experimenting with new flavours & techniques.

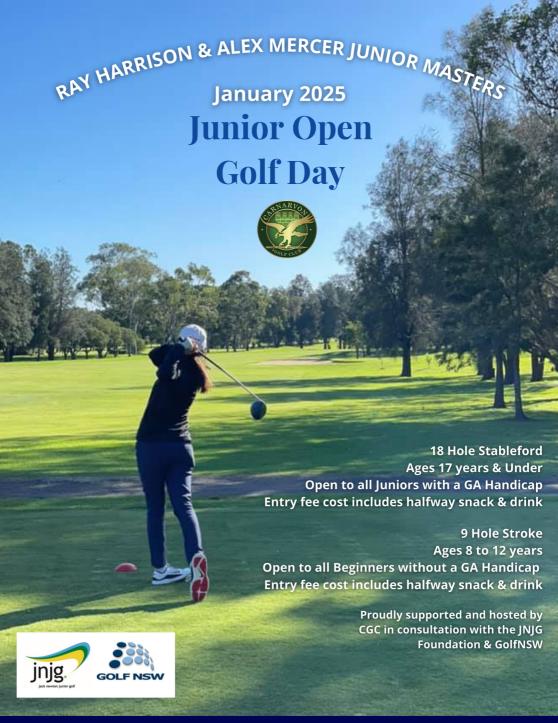

#### 7. AND JUST FOR FUN... IF YOU WERE A CRAYON, WHAT COLOUR WOULD YOU BE?

If I were a crayon, I think I'd be a shade of "midnight blue". Its calm, deep & has a hint of mystery - perfect for sparking creativity & reflection.
