

At Peter Lehmann we believe in the timeless craft of making great wine. It's a craft that takes a village.

From the beginning, Peter Lehmann recognised the heroes of the Barossa were not just the winemakers, but also the grape growers and the whole Barossa community. No one knows each corner, each ridge and each vineyard of the Barossa as they do.

Peter Lehmann wines are a celebration of the Barossa community and the benefits that passion, craft and collaboration can bring. From the rare single vineyard wines to expressions that show off every corner of the region, they share the spirit of the Barossa, our home.
