# MEET ADAM MCGREGOR

## GENERAL MANAGER

### **1. YOU HAVE RECENTLY TAKEN OVER THE ROLE OF GENERAL MANAGER OF CARNARVON. WHAT IS YOUR FAVOURITE THING ABOUT THE ROLE SO FAR?**

The ability to make an impact where needed. Whether it's improving club facilities, streamlining operations or enhancing the overall experience for members, I enjoy identifying opportunities for growth and seeing positive results. The recent gaming room refurbishment has already made a difference, and I'm excited to keep building on that momentum. I feel I have made some positive changes already but have so many more ideas/plans!

### **2. WHERE HAS BEEN YOUR FAVOURITE TRAVEL DESTINATION?**

I've travelled extensively across Asia for both work & relaxation. Korea stands out, but there are so many other places too. The combination of rich history, vibrant culture & incredible food makes it an amazing place to visit. That said, I'm really looking forward to exploring Italy and some of Europe when work permits!

### **3. DO YOU HAVE A FAVOURITE HOBBY?**

I enjoy spending time outdoors - it's a great way to recharge, stay active and explore new places. I'm also interested in tech and enjoy keeping up with the latest gadgets & innovations. I love eating out (if that counts as a hobby - it does for me!) discovering new restaurants and trying different cuisines. And of course, I rely on coffee to keep me going throughout the day!

### **4. DO YOU HAVE A FAVOURITE TV SERIES?**

Ted Lasso is one of my favourites - it's the perfect blend of comedy, drama and heart. The positivity and character development are so refreshing and it has a great message about leadership and kindness. I also enjoy other comedies and drama series, when/if time permits!

### **5. TELL US SOMETHING ABOUT YOU THAT WE DON'T KNOW!**

I lived and worked in Macau for eight years. It was an incredible experience being part of such a dynamic environment, especially with the growth of the casino and hospitality industry. The fast-paced nature of the city taught me a lot about operations, leadership, language barriers and adapting to different cultures. While I enjoyed the convenience of travel and the location, I'm happy to be living and working at home now, where I can apply that experience in a familiar and rewarding environment.

### **6. AND JUST FOR FUN... IF YOU WERE A CRAYON, WHAT COLOUR WOULD YOU BE?**

Navy blue - classic, reliable and versatile. It's a colour that goes with almost anything and can be both bold and understated at the same time.
