The Course

This easy walking, slightly undulating layout has lush Kikuyu fairways and Poa grass greens. It is kept manicured all year round. The Fairway mounds, bunkers and water hazards make it a challenging course.

Carnarvon covers a beautifully rolling landscape, while the heavily tree-lined fairways are home to dozens of birdlife varieties. The par-72 is equally challenging for the casual player and professional, with bunkers, mounds and large undulating greens. The 6,170-metre course layout has won wide acclaim for the past six years as being one of only three professional Sydney courses to host the Emirates Australian Open Qualifiers, a testament to its quality.

Novelty events such as nearest the pins, longest drive and straightest drive competitions are well catered for. Our golf pro can assist you in deciding what the most appropriate format for you. Services include but are not limited to; starting the field, running of clinics or coaching, checking score cards, finalising competitions and results preparation.

The club can work with you regarding your needs for signage and marquees etc. We can make sure everything is delivered on time and arrange assembly and layout on the course.
